EXPERIENCE

For over 20 years Stair Parts Inc. has been producing quality custom stair components. Now part of Regency Stair Parts, the tradition continues of creating extraordinary materials for the market. If experience has taught us anything, it's that our customers deserve the best.

SELECTION

In addition to standard family offerings, chose from options limited only by your imagination. From historical replicas to custom turnings we can make your custom profiles from your CAD drawings or hard samples in most any specie you wish.

DELIVERY

Stair Parts Inc. has made it's reputation on a simple slogan: "Custom Parts. Uncustomarily Fast". Special order? Every order is special to us.
